

# PRICE GUIDE

## THE ESSENTIALS

---

A refined selection of personal flowers and key ceremony arrangements designed to bring beauty to the moments that matter most. Perfect for couples who would like us to style their ceremony or reception with thoughtful touches, including consultation, design, delivery, and set-up. Thoughtful repurposing of florals will be included for maximum use of them through the day. Including a selection from the following- bouquets, buttonholes, ceremony designs and simple table florals..

From £1500-2500 approx.

## FULL SERVICE FLORALS

---

For couples who want flowers to define their day, our full service option offers a truly bespoke experience. Including full consultation, bespoke design, delivery, and venue set-up plus the option of us moving the florals for you. From bridal party flowers to statement arches, table centres and breathtaking installations, every detail is designed in our signature romantic style and tailored to your vision. We handle everything from concept to set-up, so you can relax knowing your celebration will be filled with unforgettable, artfully crafted florals. Usually the most popular choice for most areas of a wedding to be covered, often re-purposed and includes ceremony, reception and other designs.

From £2500-5000 as a guide depending on the venue and requirements.

## THE LUXE EXPERIENCE

---

Our premium service is for couples who want flowers to take centre stage and be the defining feature of the day. Think oversized installations, fuller arrangements, and an abundance of blooms designed to completely transform your celebration into something truly unforgettable. From grand arches and staircase-sweeping designs to tables brimming with flowers, this service offers the scale and artistry to make a lasting impression. With complete creative freedom, we source the most exquisite blooms and craft a design full of drama, romance, and detail.

Whether you're marrying in Devon, Cornwall or further afield, our team handles every detail — from design to delivery — ensuring your wedding is styled with unforgettable, luxurious florals wherever your celebration takes you.

From £5000-10000+
